

Corrigenda
to the book

Berger H. (2008): Monograph of the Amphiseliidae and Trachelostylidae (Ciliophora, Hypotricha). – Monographiae Biologicae **88**: i–xvi, 1–737. Springer.

The official version of the corrections will be published in the fourth volume of the monographic series on hypotrichs.

Page 25, legend to Fig. 6a, apomorphy 8: ... high support by molecular data (more data see ...). Not: high support by molecular data 8 (more data see ...).

Page 42, line 2 of chapter 4.3: ... shown in Fig. 6c. Not: ... shown in Fig. 6b.

Page 710, Kahl A. (1932): delete this entry after Kahl A. (1928b).

Page 710, Kahl A. (1933): the correct position of this entry is ahead of Kahl A. (1935).

Page 734, right column: *Strongylidium* 83, ... Not: ²*Strongylidium* 83, ...

Page 734, right column: *Strongylidium crassum* 297 Not: ³*Strongylidium crassum* 297
