New Book

Bibliography of Hypotrichs and Euplotids (Ciliophora)

by

Helmut Berger

Consulting Engineering Office for Ecology, Salzburg
Radetzkystrasse 10, 5020 Salzburg

and

Department of Organismal Biology, University of Salzburg
Hellbrunnerstrasse 34, 5020 Salzburg

The present bibliography of more than 6000 entries brings together “hypotrich” research from all over the world and covering the period of 1758 to present. It provides fast, efficient, and economical information about hypotrich and euplotid ciliates. A valuable tool helping both beginners and experienced workers from all fields of interest, for example, systematics, ecology, and molecular biology.

Contents

Preface. 1 Introduction. 2 Technical Notes. 2.1 Completeness of Bibliography. 2.2 Problems in Obtaining Literature. 2.3 Notes on Bibliographic Data. 2.4 Accuracy of Data. 2.5 Statistics. 3 Literature Cited. 4 Disclaimer. 5 Bibliography (6062 references).
